

No Frills Catering

To "No Frills" Catering brought to you by Sodexo Campus Services. We are aware that organizations on campus today face a challenge in fitting catering within the financial constraints of their budgets. For this reason, we would like to present a price-cutting alternative.

"No Frills" Catering eliminates delivery and set-up costs because orders are picked up by your group. Orders must be received no later than 48 hours before your event to guarantee your menu selection. Special orders require one weeks notice, so be sure to plan ahead.

Planning

1. Begin planning your function so that you can make all arrangements for rooms, food, etc., early enough to avoid disappointment
2. Pick-ups require either an approved budget number or prepayment.
3. Designate a person to pick-up your order. Also designate someone to return any borrowed or rented equipment within 24 hours unless otherwise specified. There will be subsequent charges for equipment that is returned late, damaged, lost or stolen.

Don't hesitate to call the Sodexo Campus Services office at 620-235-4995 or 4979 for additional information or assistance.
